# Adult and Teen Programs Round Rock Public Library

## September 2006

### Computer Classes

- **First Steps**  
4 sessions, the 1<sup>st</sup> four Tuesdays of each month  
Learn how to navigate around your workspace, how to enter and change text, and how to save and organize files.
- **Internet & Email**  
2 sessions, 1<sup>st</sup> two Thursdays of each month  
Learn the basics: you'll get an overview of how the internet works, instruction on how to log in and find Web pages, and practice using a Web-based email program.
- **Computer Safety**  
1 session, 2<sup>nd</sup> Monday of each month  
Learn how to use the computer and internet wisely, how to identify risks to your computer and to your privacy, and how to take steps to protect yourself.
- **Microsoft Word**  
4 sessions, 1<sup>st</sup> four Tuesdays of each month  
Learn how to create a document, edit it and change its layout, to save, and finally to print your work.

### Book Groups

- **Sunday Book Group**  
Meets one Sunday per month, at 2:00 in the library conference room (gather at the reference desk on the 2<sup>nd</sup> floor).
  - This month: ***Bless Me, Ultima* by Rudolfo Anaya**. This book has been subject to challenge and banning from time to time, since its first publication in 1972. We have chosen to read it now as part of the Library's observance of **Banned Books Week**
  - Next month: ***Never Let Me Go* by Kazuo Ishiguro**
- **Teen Book Club**  
Time: 7:00-8:00 PM, Tuesday September 19  
Where: Library Room D  
What: Talk about ***The Midnighters: The Secret Hour* by Scott Westerfeld**.  
Special: 10 copies of the book to give away for **FREE**; pick up your copy at the reference desk (2<sup>nd</sup> floor) – 1<sup>st</sup> come, 1<sup>st</sup> served!

### Banned Books Week

- **Films**
  - Monday 25<sup>th</sup>, 7:00 PM – ***Inherit the Wind* (1960)**, starring Spencer Tracey, Frederic March; directed by Stanley Kramer. "Based on a real-life case in 1925, two great lawyers argue the case for and against a science teacher accused of the crime of teaching evolution." (Internet Movie Database)
  - Thursday 28<sup>th</sup>, 7:00 PM – ***2001: A Space Odyssey* (1968)**, directed by Stanley Kubrick. "Mankind finds a mysterious, obviously artificial, artifact buried on the moon and, with the intelligent computer HAL, sets off on a quest." (Internet Movie Database)
- **Displays:** see the thought provoking displays across from the circulation desk. Is banning items from the library a matter of intellectual freedom or of protection? What do you think?

### Genealogy

- **Beginning Genealogy on the Internet**  
Learn the basics of using online resources to search for information about your ancestors.
